

## Spectra/Spectra Pro RT Battery Pack, 24VDC

### 24VDC Battery Pack Specification

| Model                           | ESPRBP-24VDC-A   | ESPRBP-24VDC-B        |
|---------------------------------|--|-----------------------|
| <b>Battery System</b>           |  |                       |
| Battery type                    | VRLA - 12V/9Ah Batteries                                       |                       |
| Typical battery recharging time | 6~8 hours (to 90% of full capacity)                            |                       |
| Typical battery life            | 3~5 years, depend on discharging cycle and ambient temperature |                       |
| System voltage                  | 24 Vdc   |                       |
| Battery quantity                | 4/2 PCS  |                       |
| Capacity                        | 18Ah/9Ah (12V)   |                       |
| <b>Physical</b>                 |  |                       |
| Dimension W x D x H (mm)        | 440 x 430 x 86.5   |                       |
| Net weight (kg)                 | For 4 Batteries - 12kg   | For 2 Batteries - 7kg |
| <b>Environmental</b>            |  |                       |
| Safety                          | CE   |                       |
| Operating environment           | 0°C ~ 40°C   |                       |
| Relative humidity               | 0~95% (Non condensing)   |                       |
| Noise level                     | <40dB at 1 Meter   |                       |

Suitable for 1kVA Spectra/Spectra Pro UPS Series

- E001SER31
- E001SPIR31
