✳ **ExTell**®

ExTell SM Fiber Optic UPC Pigtail

Features

• Seamless Connectivity	• OS2 G652D Single Mode

Materials

- Connector Housing: High Quality Plastic, Resistant to corrosion and high temperature
- Ferrule: High Quality Ceramic Ferrule

Additional Features

- SC, LC, ST, FC and MTRJ connectors
- 900 pm tight buffer
- Simplex & Duplex assemblies available with clips (SC & LC)
- Armored option available
- Different connector performance range for specific application
- Fully Automated preparation and polishing process

Applications

- High speed and legacy networks including Gigabit Ethernet, Fast Ethernet
- Data Center cabling in data networks including backbone, riser & horizontal

Technical Specification

Parameter	SM PC Connectors	SM APC Connectors	MM PC Connectors
IL (61300-3-4)	≦ 0.30 dB	≦ 0.30 dB	≦ 0.30 dB
RL (61300-3-6)	≧ 50 dB	≧ 60 dB	≧ 25 dB
